## Pre-School Dance and Kindergarten Dance

(Ages 3 1/2 - 4 & Grade K)

**Instructor:** Juliann Farrar, RAD RTS

Imagine, pretend, wiggle and giggle!! Dancers are greeted each week with a new "secret adventure" story line inspiring and stirring the imagination. Games, activities and props capture the child's joy of movement and freedom of expression. The aim is to develop fine/large motor skills; coordination/balance; spatial awareness; expression; listening skills; confidence, and self-esteem. Kindergarten Dance takes this approach to the next level with a longer class, larger skill set, more structure, and an introduction to ballet positions/skills

## Step into Irish Step Dancing

(Ages 5 - 7 & 8 - 11)

Instructor: Bonnie Severance

Students will develop an understanding of Irish Dance through lessons aimed at teaching each student in a supportive and progressive fashion. Students will keep journals of dance steps taught to practice at home. Skills to improve will be emphasized each week as new steps are added. Each class will include beginner soft shoe steps (reel and jig), as well as traditional ceili (group/team) dancing. It is hoped that lessons will instill a love and appreciation for Irish Dance not only as an art form but as an important part of Irish culture and history. If you are Irish, this is a great way to connect with your heritage! Students should wear T-shirt and shorts, or leotard. Beginner girls may start out in ballet slippers, beginner boys in a simple jazz shoe, if you do not have traditional Irish dancing shoes. Please bring a notebook to class.
